

VERANDAH

FULLY BESPOKE VERANDAH SYSTEM

FULLY BESPOKE SYSTEM

Our fully bespoke Verandah system can be used to create a stunning, contemporary patio area allowing homeowners to enjoy their garden all year round.

Our Verandah is ideal for domestic homes, or commercial properties such as care homes, schools, pubs and restaurants and is also ideal for walkways, entrance ways and outdoor eating areas where shelter from outdoor elements is required. Every Verandah is bespoke and can be tailored to fit your specific needs.

The Verandah is made from aluminium with a choice of post and foot options and can be glazed with either glass or polycarbonate so you can be assured they meet most budgets. Available in any colour, the Verandah is a must have product for anyone wanting to enjoy their outdoor space all year round.

“ It is hard to deny that the Verandah has genuine appeal. It is perhaps the best looking glazed canopy solution on the market right now. ”

Mr Grafton-Holt, Wakefield

VERANDAH IN COLOUR

The Verandah is available in any RAL colour allowing homeowners to add a splash of colour to their outdoor living space.

As our Verandah is available in any colour, it allows the system to have further appeal for commercial applications too including bars, restaurants and even hospitals and schools where colours can be matched to brands and corporate identity.

Popular colours include anthracite grey, chartwell green and blue yet regardless of colour, all are fully guaranteed for 10 years.

VERANDAH FOR EVERY APPLICATION

Our Verandah is fully bespoke and can be tailored to suit your individual needs. Whatever the application, the Verandah is the perfect solution to provide protection from any outdoor elements.

Suitable for any domestic homes or commercial properties, such as care homes, schools, pubs and restaurants. It can also provide shelter for walkways, entrance ways and outdoor eating areas.
